

DEPARTMENT OF BENEFIT PAYMENTS

August 2, 1974

ALL-COUNTY LETTER NO. 74-150

TO: ALL COUNTY WELFARE DIRECTORS
ALL DISTRICT ATTORNEYS

SUBJECT: CONTRIBUTION SCALE

REFERENCE: WELFARE AND INSTITUTIONS CODE § 11352

Section 11352 of the Welfare and Institutions Code requires the establishment of a scale of suggested minimum contributions that should be expected from absent parents. Such a scale is to be made available to the various county agencies involved in child support, to be used at their option.

This Department is now in the process of formulating such a contribution scale. In order to create a scale which will be of maximum value to everyone concerned, and which will reflect the needs of all the county agencies involved, input from those persons involved in child support is hereby requested.

We would like to hear from welfare and law enforcement officials who deal with child support at the operational level, and would be interested in suggestions and recommendations to help in the development of a contribution scale which will be beneficial and workable, as well as equitable. A copy of any contribution scales which are now being used should also be included. This information should be forwarded to:
